THE UK AND IRELAND'S LEADING TOWING AND TOURING COMPANY

Accessories for Cars, Caravans & Motorhomes

Welcome....

...to our comprehensive 'Automotive & Leisure' catalogue. There are over 160 pages of new products, more product information, latest product images and in-use shots.

Automotive

Our range of products has expanded as we have added complete new ranges and also additions to existing ones including: power packs, compressors and inspection lamps. We also have two new trolley chargers in our charger range suitable for workshop use.

Leisure

Our Maypole security section has had a lot of new additions such as parking posts and steering wheel locks, which we used to sell many years ago. The steering wheel locks are now back on the market due to the unfortunate increase of electronic car theft. We have recently launched a range of awnings and accessories that are ideal for use with caravans, motorhomes and camper vans.

Caravan & Motorhome Covers

Maypole are market leaders in supplying universal covers to the leisure market. As well as caravans and motorhomes, we also offer covers for camper vans and horse boxes. We also now have internal and external blinds for motorhomes and camper vans.

Stronghold

We have rebranded our range of Stronghold Security products and have included more images. There are also some new additions to this range such as the Apex wheel clamps suitable for a wide range of vehicles.

M-Way & Menabo

The range of universal and vehicle specific roof bars, cycle carriers and roof boxes from Italian manufacturer Menabo, are listed in this catalogue.

The Maypole Team

Terms & Conditions

Ordering

For all UK & Export orders contact our sales team by phone, email or fax.

Tel: +44 (0)121 270 4301

Email: sales@maypoleltd.co.uk

Fax: +44 (0)121 423 3020

UK Delivery Charges

Orders to the UK over £250 are carriage free for standard 2-3 working day delivery.

Orders under this amount will incur the following charges:

- 2-3 working days £8.95
- Next day £11.95 (*excluding Northern Ireland & The Channel Islands. Must be ordered before 2pm & 5 items or less*).
- Standard Royal Mail postage £4.00
- Roof Bar Specific Kits £5.95 next day before 2pm

For orders to the Channel Islands, the minimum order value is £500, please call for a carriage quotation.

Northern Ireland & Ireland Delivery Charges

Orders over £300 / €350 are carriage free.

Orders to Ireland under £300 / €350 will incur a carriage charge of £18.95.

Export Deliveries

All prices quoted are ex-works, quotations for delivery are available upon request.

Payment Terms

Maypole Ltd are suppliers to the trade only. Orders can only be placed with us when a trade account

has been opened, the value of the first order must be over £250.

Payments for goods is due no later than 30 days after the delivery date or date of deemed delivery. Maypole reserve the right to close the account if the minimum annual spend of £1000 P.A has not been achieved. Title of goods remains with Maypole Ltd until paid for in full.

Returns

While we constantly strive to deliver quality items, faulty goods with manufacturing defects can be returned to Maypole by contacting our returns team. Customers wishing to stock cleanse and return goods for other reasons must contact the sales team for authorisation first and then return at their own expense. A 20% handling charge will be deducted. Returns will only be accepted when a Maypole returns note has been completed stating reasons for the return.

Delivery shortages, invoice queries and damaged products MUST be reported within 3 working days of date of delivery.

Maypole reserve the right to change prices and charges without prior notice.

Full terms and conditions can be found on the inside of the back cover of this catalogue.

Full Marketing support is available for images, text and technical information. Please email marketing@maypoleltd.co.uk.

Battery Maintenance

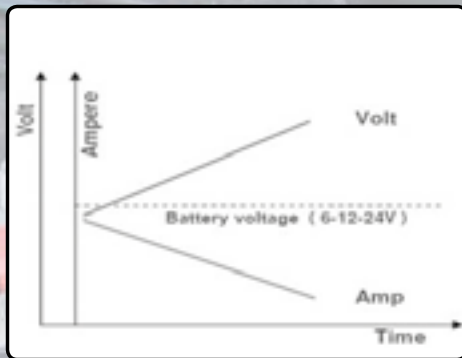

The increasing demand on car batteries from advanced vehicle electrics means that regular maintenance is required to prevent a flat battery. Maypole offers a comprehensive range of battery chargers to suit a wide range of vehicles that tests, reconditions and charges a battery.

Traditional lead acid batteries are no longer the only battery type available. For vehicles with STOP/START technology, batteries need to deliver a high power performance. With this in mind, some of our battery chargers are also suitable for AGM and GEL batteries. All of our chargers are independently inspected for electrical safety.

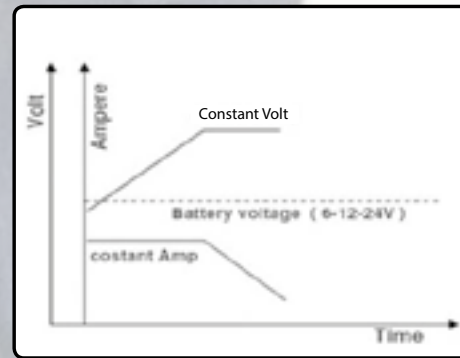

Why buy an Electronic Smart Charger?

Traditional battery chargers, during charging the voltage increases and the current decreases progressively, without any control from the charger. Electronic battery chargers regulate both current and voltage throughout the charge cycle.

Traditional

Electronic

The Range

Maypole have a range of chargers to suit all requirements and budget;

- Compact** Entry level basic charger. Available in 4A and 6A.
- LED Automatic** Available from 4A to 12A in 6/24V.
- Electronic Smart Chargers** Fully automatic smart chargers suitable for a range of vehicles, including vehicles with STOP/START. Available from 0.5A to 8A.
- Electronic Smart Bench Chargers** Heavy duty automatic smart chargers suitable for a wide range of vehicles. Ideal for workshops, DIY mechanics and marine applications. Available from 12A to 25A in 12V with Start Assist functionality.
- Metal Cased Battery Chargers** Available from 8A to 30A and suitable for a wide range vehicles.
- Maypole Start Chargers** From 30A to 75A to aid starting and rapid charge on a wide range of 12/24V vehicle.
- Power Packs** Can be used to jump start vehicles up to 6L.

Catalogue Features

We have included relevant information to each range of battery chargers and highlighted key product features. To help make product selection easier we have also included easy to follow icons that are also present on the packaging.

Automatic multi stage charging

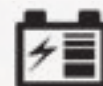

Compact design

Display showing charging information

Easy & safe to use

Fast charge

Suitable for stop/start vehicles

Seasonal battery maintenance

Maintenance charging

Float mode automatic charging maintenance

Compact & robust case

Robust metal case

Compact Battery Chargers

4A & 6A (12V) COMPACT BATTERY CHARGERS

Compact battery chargers suitable for a wide range of vehicles.

- Built in safety features - overload, reverse polarity & short circuit protection.
- 1.4m leads with insulated crocodile clips.
- Easy to read LED charge indicators.
- MP7404 suitable for vehicles up to 1.2L (1200cc).
- MP7406 suitable for vehicles up to 1.8L (1800cc).

MP7404

Compact & Robust Case

With integral handle

Handy Cable Tidy

For compact storage

LED Indicators

- Logical indication of charging status
- Red - Power
 - Green - Progressively brighter as battery becomes charged

Insulated Crocodile Clips

Technical Specification

Code	Voltage	Output (Amps)	Battery Capacity	Battery Types	Dimensions HxWxL (cm)	Weight	Box Qty
MP7404	12V	4A	10Ah - 60Ah	Lead Acid & AGM	19x16x9.5	1.2Kg	10
MP7406	12V	6A	12Ah - 80Ah	Lead Acid & AGM	19x16x9.5	1.4Kg	10

Automatic Battery Chargers

4A & 6A (12V) AUTOMATIC BATTERY CHARGERS

Fully automatic and suitable for a wide range of vehicles.

- **Float charging** - ensures batteries are maintained with no risk of overcharging.
- **Built in safety features** - overload, reverse polarity & short circuit protection.
- **1.7m leads with inline fuse protection and insulated crocodile clips.**
- **MP7104 suitable for vehicles up to 1.2L (1200cc).**
- **MP7106 suitable for vehicles over 1.2L (1200cc) and up to 1.8L (1800cc).**

MP7104

MP7106	12V	6A	20Ah - 80Ah	Lead Acid & AGM	18.5x18x11	2.2Kg	10

Automatic Battery Chargers

8A & 12A (DUAL VOLTAGE) AUTOMATIC BATTERY CHARGERS

Fully automatic and suitable for a wide range of vehicles.

- **Float charging** - ensures batteries are maintained with no risk of overcharging.
- **Built in safety features** - overload, reverse polarity & short circuit detection.
- **1.7m leads with inline fuse protection and insulated crocodile clips.**
- **MP7108 is suitable for vehicles up to 1.8L (1800cc).**
- **MP7112 is suitable for vehicles exceeding 2L (2000cc).**

MP7108

LED Indicators

Logical indication of charging status

- Red - 25 -50% charged
- Amber - 75% charged
- Green - Fully charged

MP7108 - 6/12V
MP7112 - 12/24V

Inline Output Fuse & Cover

For enhanced safety & easy replacement

Compact Robust ABS Case
With integral handle

Insulated Crocodile Clips

Code	Voltage	Output (Amps)	Battery Capacity	Battery Types	Dimensions HxWxL (cm)	Weight	Box Qty
MP7108	6/12V	8A	20Ah - 100Ah	Lead Acid & AGM	26.5x19.8x12.3	2.9Kg	5
MP7112	12/24V	12A	20Ah - 160Ah	Lead Acid & AGM	25.4x22.8x10.2	3.9Kg	5

Electronic Smart Chargers

0.5A (12V) AUTOMATIC TRICKLE CHARGER

Fully automatic compact plug in trickle charger. Ideally suited to long term battery maintenance, for example when a vehicle isn't in frequent use.

- **9 stage charging cycle** - automatically assesses the battery voltage & condition before diagnosing, charging & maintaining the battery.
- **Built in safety features** - overload, reverse polarity & short circuit protection.
- **1.5m leads with insulated crocodile clips.**

Compact Design

With insulated crocodile clips

Multi-Function LED Indicator

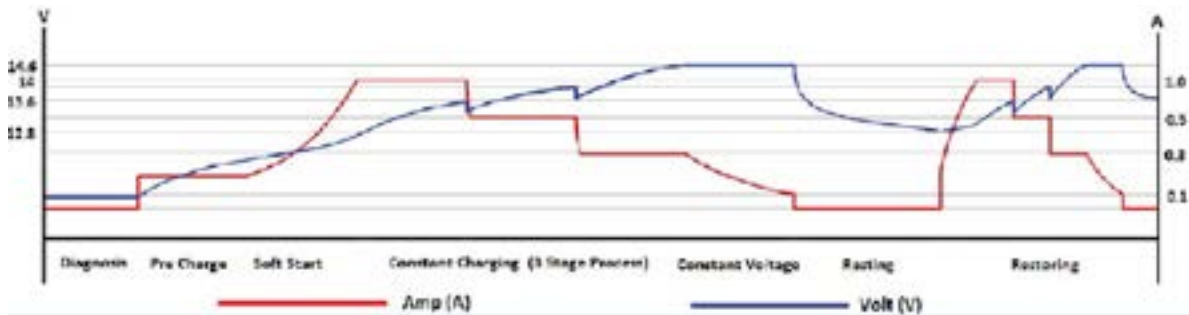

- Flashing red - battery, connection & fault diagnosis
- Solid red - bulk charging
- Flashing green - >80% charged, absorption charging
- Solid green - charged, maintenance mode

Technical Specification

MP7402 9 Step Charging Cycle

Code	Voltage	Output (Amps)	Battery Capacity	Battery Types	Dimensions HxWxL (cm)	Weight	Box Qty
MP7402	12V	0.5A	1.2Ah - 100Ah	Lead Acid, AGM & GEL	10x7.6x16	0.3Kg	24

Electronic Smart Chargers

1.5A (6/12V) ELECTRONIC MAINTENANCE SMART CHARGER

Fully automatic dual volt charger perfect for long term maintenance charging and battery charging.

- **9 stage charging cycle** - automatically assesses the battery voltage & condition before re-conditioning, charging & maintaining the battery where required.
- **Built in safety features** - reverse polarity, short circuit & open circuit detection.
- **1.5m leads with interchangeable insulated crocodile clips or ring terminals.**
- **Suitable for maintenance charging & battery charging up to 1.2L (1200cc).**
- **High frequency charger** - does not have a transformer.

LED Indicators

Logical indication of charging status

1. Green - Power
2. Amber - Charging
3. Green - Charged
4. Red - Error

Interchangeable Leads

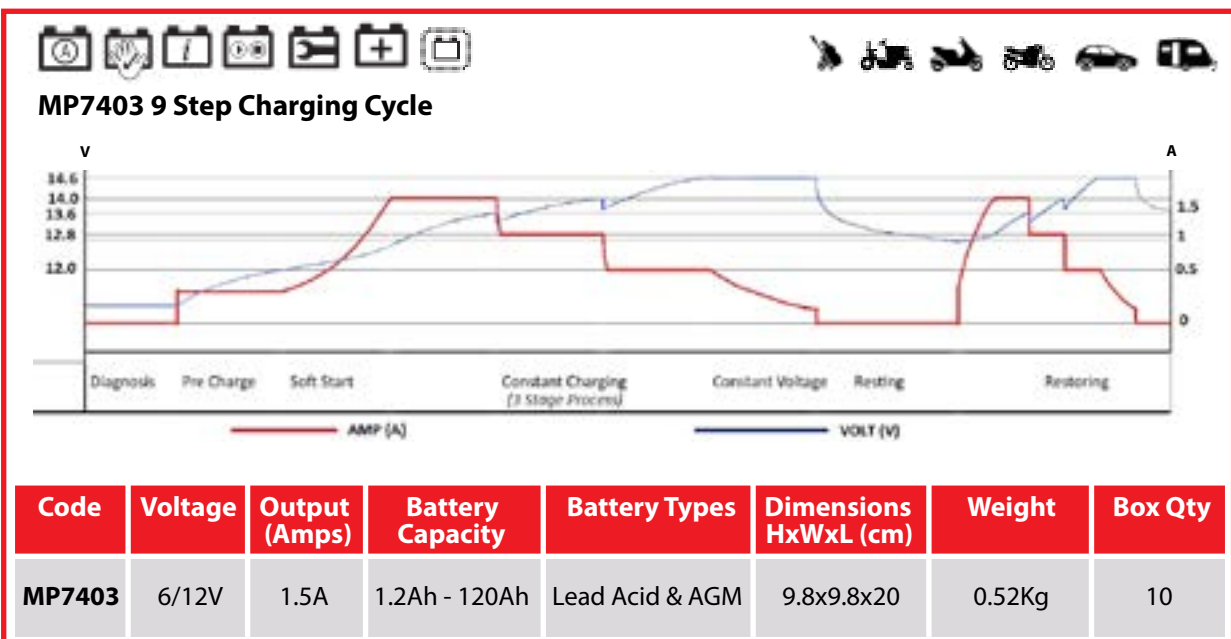

Insulated crocodile clips & ring terminals

Voltage Indicators & Selector
For dual voltage charging (6V/12V)

Permanent Quick Connect
Ideals for motorcycles, scooters & caravans

Technical Specification

4A (6/12V) ELECTRONIC SMART CHARGER

Fully automatic dual voltage smart charger recommended for a wide range of vehicles.

- **5 stage charging cycle** - automatically detects the battery voltage & condition before re-conditioning, charging & maintaining the battery.
- **Built in safety features** - overload, reverse polarity & short circuit detection.
- **1.5m leads with interchangeable insulated crocodile clips & ring terminals.**
- **Suitable for a wide range of vehicles up to 2.5L (2500cc).**
- **High frequency charger** - does not have a transformer.

LCD Display

Indicators showing: reverse polarity, faulty connection, faulty battery, battery level, 12V winter charge & 6/12V slow & fast charge

Permanent Quick Connect

Ideals for motorcycles, scooters & caravans

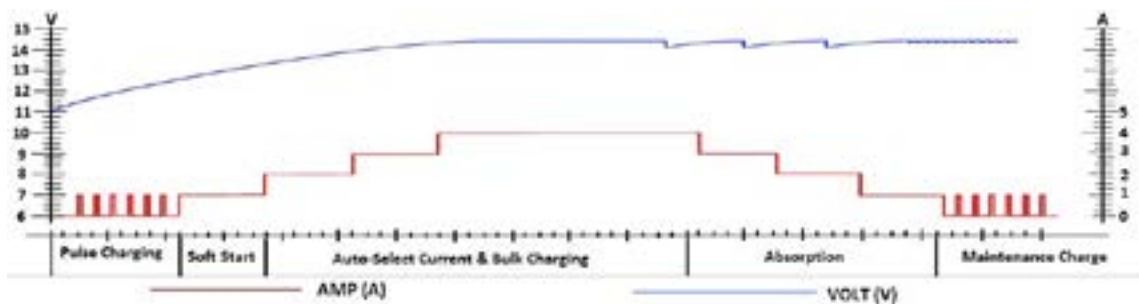

Interchangeable Leads

Insulated crocodile clips & ring terminals

Technical Specification

MP7423 5 Step Charging Curve

Code	Voltage	Output (Amps)	Battery Capacity	Battery Types	Dimensions HxWxL (cm)	Weight	Box Qty
MP7423	6/12V	4A	1.2Ah - 120Ah	Lead Acid & AGM	26x15x6	0.69Kg	12

Electronic Smart Chargers

8A (12V) ELECTRONIC SMART CHARGER

Fully automatic powerful smart charger recommended for a wide range of vehicles.

- **9 stage charging cycle** - automatically detects the battery voltage & condition before diagnosing, charging & reconditioning the battery.
- **Built in safety features** - reverse polarity, short circuit & open circuit detection.
- **1.5m leads with insulated crocodile clips.**
- **Suitable for vehicles up to 5L (5000cc).**
- **High frequency charger** - does not have a transformer.

LCD Display

Showing key charging information:

MP7428 9 Step Charging Cycle

Code	Voltage	Output (Amps)	Battery Capacity	Battery Types	Dimensions HxWxL (cm)	Weight	Box Qty
MP7428	12V	8A	1.2Ah - 192Ah	Lead Acid & AGM	23x12x7	0.83Kg	8

Automatic Workshop Chargers

12/24V AUTOMATIC WORKSHOP CHARGERS

The smart charging solution for modern vehicle batteries.

- Suitable for 12V/24V lead acid/AGM & GEL batteries.
- Fully automatic charging cycles - for optimum charging/maintenance & safety.
- Digital display, showing key charging information - Volts, Amps, % of full battery capacity.
- Suitable for heavy duty batteries from 6-300Ah.

Metal Cased Battery Chargers

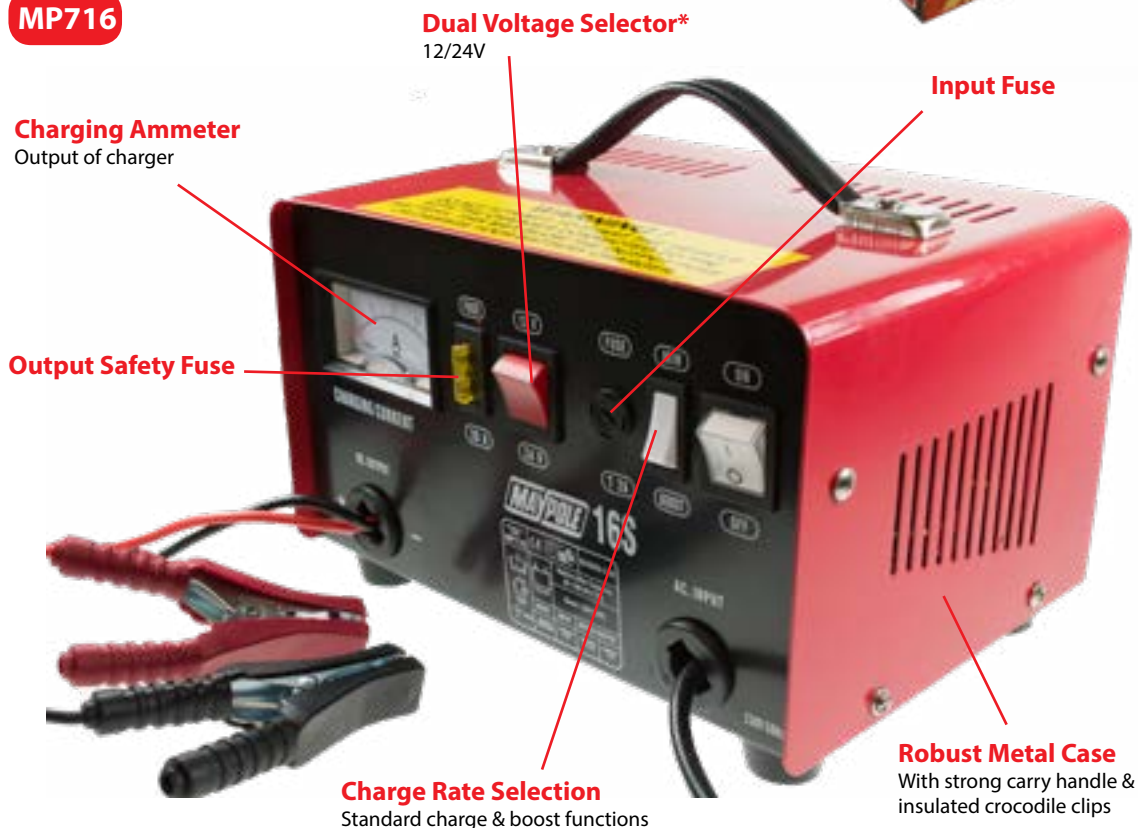

8A, 12A, 20A & 30A METAL CASED BATTERY CHARGERS

A comprehensive range of metal cased battery chargers for a wide range of 12/24V vehicles. Ideal for workshop use.

- Built in safety features - overload, reverse polarity & short circuit detection.
- 1.5m leads with insulated crocodile clips.
- Suitable for - lead acid & AGM batteries.
- TUV Approved.

MP716

Technical Specification

*MP730 & MP750 have terminals to select the output voltage

Trolley/Start Chargers

75A (12/24V) MAYPOLE START CHARGER

Maypole 75A start charger suitable for large capacity batteries of 12/24V vehicles. Ideal for workshop use.

- Built in safety features - overload & reverse polarity protection.
- Suitable for - lead acid & AGM batteries.
- 2m leads with insulated crocodile clips.
- TUV Approved.
- 16A supply is required.

Technical Specification

Trolley/Start Chargers

12/24V AUTOMATIC WORKSHOP TROLLEY/START CHARGERS

Fully automatic workshop trolley/start chargers with a built in intelligent micro processor and engine start function.

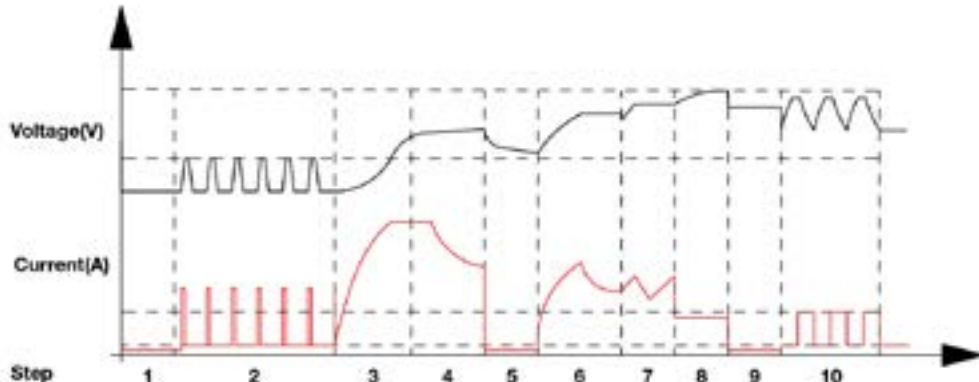

- **Built in safety features** - spark proof, reverse polarity, short circuit, overload and over current protection.
- **Fully automatic** - 10 stage charging process.
- **Repair function for old or sulphated batteries.**
- **Easy to manoeuvre with retractable handle and heavy duty wheels.**
- **Detailed messages on rolling screen.**
- **Alternator check function.**
- **Independent battery type selection** - STD/AGM/GEL.
- **Ideal for the workshop environment.**

Power Packs

300A LITHIUM ION POWER PACK

Safely jump start flat batteries of petrol engines up to 3L.

- **Suitable for** - all 12v lead acid batteries, including deep cycle, AGM and Gel
- **Smart cable technology** - reverse polarity, reverse charge, short circuit, over load, over discharge and over temperature protection
- **Complete with accessories** - 12v cigar lighter charger, smart cable jump lead, USB multi output cable for smart phones and handy carry bag
- **Can also be used as a power bank**
- **SGS safety tested**

Booster Cables & Jump Leads

EMERGENCY BOOSTER CABLES / JUMP LEADS

Copper coated aluminium booster cables 170A to 350A, suited to occasional use for emergency applications.

- Greater cross sectional area (CSA) to increase cable flexibility.
- Colour coded cable made from heat, oil & acid resistant PVC.
- Insulated metal clips.
- Supplied with reusable storage bag.

Maypole Towing Stand

- All your top 40 towing essentials in one place.
- Modern and eye catching packaging design across our wide product range.

Available upon request we can provide recommended ranges and planograms to suit your store. Also suitable for LED lighting display.

- *Maximum 2 stands per customer*
- *Limited Availability*

Towing Stand - YTOWINGSTAND

Minimum spend of £599 or buy for £155
Silver/blue design with base bin
Storage bin is ideal for towing electrics, jockey wheels, trailer spares and security products

Dimensions: 82.5cm W x 1.8m H x 45cm D

Contact our sales team now for pricing and availability.

Accessory Essentials

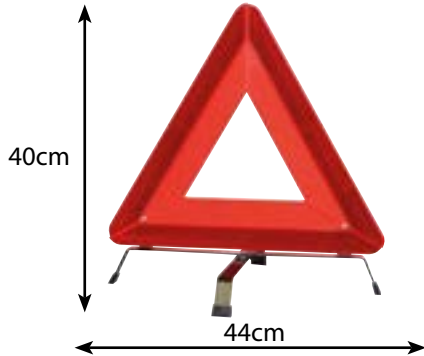

A wide range of essential accessories for your travels. Including: emergency breakdown equipment, tyre accessories, reversing digital cameras, compressors, inspection lamps and covers.

Breakdown Essentials

WARNING TRIANGLE

- Fully E Approved
- Supplied in a plastic storage case
- Legal requirement when driving abroad
- Plastic inset

TOW ROPES

- 3.5m tow ropes
- Forged hooks
- Now with a warning flag
- 'On tow' sign and towing instructions
- Complete with storage bag
- Conforms to BSAU187

Max Rolling Load	Length	Code (Each)	Box Qty
1500Kg	3.5m	MP6091	20
2500Kg	3.5m	MP6095	20
4000Kg	3.5m	MP6097	20

2500KG ELASTICATED TOW ROPE

- 1.75m - 4m max stretched length
- Forged hooks
- Now with a warning flag
- 'On tow' sign and towing instructions
- Complete with storage bag
- Conforms to BSAU187

Max Rolling Load	Length	Code (Each)	Box Qty
2500Kg	1.75m - 4m	MP609	20

3000KG ELASTICATED TOW STRAP

- 1.75 - 4m max stretched length
- 3000Kg max rolling load
- Forged hooks and flag
- TUV/GS Approved
- Conforms to BSAU187
- 'On Tow' sign and towing instructions included

Max Rolling Load	Length	Code (Each)	Box Qty
3000Kg	1.75m - 4m	MP610	12

Tow Poles & Parking Sensor

RECOVERY TOW POLES

- 1.8m 3 section tow poles
- 1800Kg max rolling load
- TUV/GS Approved
- Storage bag included
- Red flag provided is to be fitted over the centre of the tow pole
- Two versions available. Fixed rigid and spring damper version
- A spring damper reduces compression shock loads
- Before using this product please read safety instructions fully

	Code (Each)	Box Qty
Rigid tow pole	MP489	4
Tow pole with spring damper	MP4895	4

PARKING SENSOR KIT

- This 12V DIY reverse parking aid has an LED distance display & audible warning buzzer reducing your chances of collisions when parking
- Kit includes 4 sensors, control unit and slim line dashboard display
- Working voltage: 9-16v DC
- Can be used when a towball and spare wheel is fitted
- Graduated colour coded LED digital display alerts driver to which side of the vehicle has the obstruction
- Contains 4 easy to install ultrasonic sensors capable of detecting objects up to 1.5m
- Audible warning which can be muted
- Equipped with a sensitivity control to provide optimum results based on driving environments

Code (Each)	Box Qty
MP100	20

Wireless Digital Reversing Camera System

WIRELESS DIGITAL REVERSING CAMERA SYSTEM

Ideal for caravans, motorhomes, livestock trailers, horse boxes, vans and pick-ups

- 25m range between camera and monitor - interference free wireless connection
- Large 4.3" colour LCD screen
- 105° wide viewing angle
- 6 infrared night vision LEDs
- Reversing visual guidelines
- IP65 waterproof
- Adjustable mounting bracket for use either externally or internally
- Monitor connection - 12V cigar lighter socket
- Camera resolution: 640 x 480 pixels
- LCD monitor resolution: 480 x 272 pixels
- Easy DIY installation; choose mounting bracket for camera, connect camera cable to 12V reversing light, install monitor with cable to the 12V cigar lighter
- Second camera available (MP7411) - alternate between rear and internal view on the same monitor which is perfect for horse boxes and livestock trailers

Water Resistant Durable Case

Infrared Night Vision LEDs

High Resolution Camera

- Range between camera & monitor
- Large 4.3" Colour LCD screen
- Wide viewing angle 105°
- Integrated night vision
- Interference free wireless connection
- Reversing guidelines
- Second camera available

Internal View Camera

Surface mounted adjustable bracket for internal view

Bracket Options

Flush mounted number plate bracket for rear view - no drilling required

Window Suction Clamp

Mounting bracket with quick release

Description	Code (Each)	Box Qty

DIGITAL TYRE PRESSURE GAUGE

- Digital LCD displays readings accurate to within 1 psi
- Operating range between 0-150 PSI / 0.15-10 bar
- Option to measure in PSI, Bar, KPA& KG/cm²
- Automatic reset and shut-off
- Battery included

Code (Each)	Box Qty
MP7925	10

12V AIR COMPRESSORS

Portable and compact 12V air compressors suitable for a wide range of vehicles and leisure products. They all plug directly into the vehicle's cigar lighter socket for an easy connection to your vehicle. The compressors are supplied with a 3 piece adaptor suitable for inflating sports balls and small inflatables.

EMERGENCY 12V AIR COMPRESSOR

- Suitable for: motorcycles, cars, cycles, air mattresses & sports balls
- 0-30 PSI

Code	PSI Range	Inflation Time (175/70 R13 Tyre 0-30 PSI)	Cable Length	Box Qty
MP7942	0-60 PSI	8 Mins	2.8m	10

Compressors

12V AIR COMPRESSOR

Maintain and monitor tyre pressures. Essential for safety and fuel efficiency.

- Portable and compact
- High speed inflation time 3.5mins (0-36PSI/175/65/R14 tyre)
- Striking retail packaging
- Handy accessories holder; inflatables adaptor, ball adaptor & tyre valve adaptor
- 12V DC power supply - plugs directly into cigar lighter socket

Fast inflation time

Compact hose and power cord storage

1. Inflatables adaptor
2. Ball adaptor
3. Tyre valve adaptor

Bright LED light

Multiple adaptors included

Large precision analogue display (PSI/BAR)

Portable & compact

Technical Specification

Suitable for:

Inspection/Work Lights

PRO INSPECTION WORK LIGHTS

- Powerful and wide 5 & 10W 400 & 800 Lumen COB inspection lights
- Colour Pro CRI 95 for accurate colour rendering e.g. colour matching in paint shop repair centres
- UV-A spot light for leak detection
- IP65 dust and water protection
- Re-chargeable and cordless
- Robust aluminium case (IK08 impact resistance)
- Integral 360° metal hanging hook
- High strength magnet for storage and hands free use
- Workshop docking station for charging and storage
- Ideal for professional workshops

Technical Specification

Code	Lumens	Battery	Main Lamp Run Time	Spot Light Run Time	Charging Time	CRI Rating	Colour Temp	Box Qty
MP4051	400 lm (5w)	2x3.6V 2500mAh 9Wh	3-6hrs	10hrs	Approx. 3hrs	95	6000K Cool	10

Ratchet and Luggage Straps

750KG RATCHET STRAP & HOOKS

- 750Kg over centre tie down strap and buckle
- 50mm strap/buckle
- Strong polyester webbing with double 'J' hooks
- Ideally suited to box van lashing applications
- EN12195-2:2001
- Lashing capacity refers to load the strap can take measured in daN (Deca Newton)

Length	Break Force	Lashing Capacity	Code (Each)	Box Qty
5m	750Kg	375 daN	MP6075	25

2500KG RATCHET STRAP & HOOKS

- 38mm ratchet tie down
- Strong polyester webbing with double 'J' hooks
- Ideal for commercial use
- Reusable bag for storage
- Available in 2 lengths
- EN12195-2:2000

Trailer Security

Stronghold & Maypole hitchlocks & wheel clamps

Why choose Stronghold Security products?

Designed in the UK and manufactured to the highest standards, Stronghold is a leading name in vehicle security solutions. The range includes wheel clamps and hitchlocks intended for securing caravans, motorhomes and trailers. Created in 1987 Stronghold products have continually been improved and developed to meet the demands of an ever changing market place. We provide competitive products that give the consumer the right level of security at the right price and insuring peace of mind. Our products are inventive and feature creative new approaches to vehicle security.

Our goal is to manufacture products that meet the consumer's expectations of;

- Quality
- Insurance Approval
- Independent testing by recognised third party test companies
- User friendly and ease of fit - pictorial instructions and fitting videos available
- After sales support
- Spares availability

In response to these expectations our Stronghold products commonly feature;

- Robust anti-saw hardened steel construction
- Lightweight and compact designs
- Registered product designs with patented high security pick-free locks, unique to Stronghold
- Sold Secure certification, recognised by UK insurance companies
- 5 year manufacturing defect warranty
- Online product registration
- Fitting videos and colour pictorial fitting instructions
- Full after sales technical support
- Products supplied with three keys, but a spare key cutting service is available (please note that the key code needs to be recorded on the instructions provided)
- Keyed alike also available, (special order only) enabling you to secure several vehicles with the same key
- Storage case with most products

We are committed to ensuring that all Stronghold products pass stringent security tests not only in the UK but also in Europe.

5 Year Warranty

All Stronghold products carry a 12 month manufacturing defect warranty.

Consumers can upgrade the 12 month warranty to 5 years, free of charge, if within one month of purchase they;

- Complete and return the enclosed warranty card to us, or
- Register the purchase with us online at www.stronghold-security.com. Follow the link to "Register your product here".

Sold Secure

Many of the Stronghold products carry Gold Sold Secure Approvals that are recognised by UK insurance companies. Sold Secure is an independent test company for the assessment of security products. They are administrated by the Master Locksmith Association. They test security products within strict criteria to ensure the products are designed and manufactured to the highest standards. Annual re-testing ensures these standards are maintained. Our products can withstand prolonged attack tests to give your customer peace of mind.

SCM / VbV

For customers in Europe, SH5412, SH5414 and SH5415 are tested and approved to the MP03 standard from SCM / VbV in the Netherlands. The VbV is an association of Dutch insurers that create quality standards for vehicle security systems. SCM / VbV approvals for caravan and trailer mechanical security devices to MP03 standard, are recognised by Dutch and other international insurers.

Secured by Design

Secured by Design member company status is awarded to companies producing security products that pass standards and tests nominated by the police service. The standards and related tests must demonstrate the product effectiveness in preventing or reducing crime, usually by resistance to physical attack. Many Stronghold products have Secured by Design status.

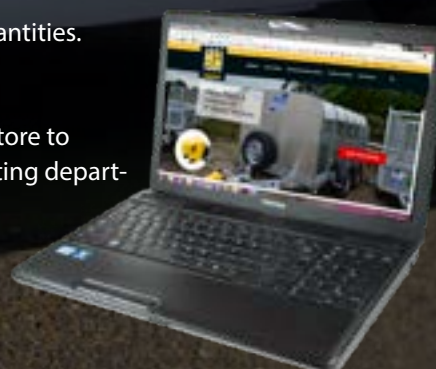

Dedicated Website

We have recently launched a brand new Stronghold dedicated website where you will find more information, videos, images and be able to locate dedicated Stronghold stockists in a specific area. Full warranty terms and FAQs can be viewed on the website www.stronghold-security.com.

Please contact our customer services department for any technical support or spare requirements.

Please note that Stronghold products are only available in box quantities.

We have images and fitting videos available for your website or catalogue. We also have available A5 leaflets that can be used in-store to promote the products to the consumer. Please contact our marketing department for more information.

Hitchlocks

We supply a range of hitchlocks for caravans and trailers security. Hitchlocks are a visible deterrent and can prevent your caravan or trailer from being stolen. Stronghold hitchlocks are Sold Secure Gold Approved, meaning they are tested to stringent attacks to stop an opportunist thief. Our locks cover the hitch and make it difficult for thieves to attach a caravan and tow it away. This gives you peace of mind when your caravan is on the campsite or left in storage.

The below guide shows exactly which hitch models our hitchlocks fit:

Wheel Clamps

We supply a range of wheel clamps to suit different size tyres on a caravan, trailer or motorhome. Wheel clamps are an instant visual deterrent against an opportunist thief. Whether you have alloy or steel wheels we have a wheel clamp for you. Our wheel clamps designed for caravan security are Sold Secure Gold Approved, meaning they are tested to stringent timed attacks.

The below guide can help you to identify how to work out a suitable wheel clamp for your tyre size. There are three pieces of information that you need to know regarding your wheel to be able to identify the most suitable wheel clamp.

1. Measure the wheel rim
2. Measure the tyre width
3. Do you have an alloy or steel wheel?
4. Use the chart below to find the most suitable wheel clamp for your requirements

Part no.	Suitable for	Wheel rim	Tyre width	Weight	Wheel Type
SH5431	Caravans & trailers	12-14"	155-190mm	4.8Kg	Steel
SH5432	Caravans	Universal	Universal	3.4Kg	Alloy
SH5436	Caravans	13-15"	165-205mm	8.51Kg	Alloy
SH5438	Caravans & Trailers	Universal	Up to 265mm	7.1Kg	Both
SH5439	Cars, 4x4's, motorhomes & camper vans	Universal	Up to 265mm	7.1Kg	Both
SH5451	Trailers & Cars	12-13"	Up to 165mm	8.9Kg	Both
SH5452	Caravans, trailer tents horse boxes	13-15"	175-195mm	9.6Kg	Both
SH5456	Caravans & motorhomes	15-18"	205-225mm	10Kg	Both

SH5436

- High security patented locking system
- Ideal for caravans
- Fits 13"-15" wheel rims with tyre sizes 165mm to 205mm
- Prevents tow-away theft by preventing wheel rotation
- Approved to Sold Secure Gold standard for caravans and trailers
- Approved by Secured by Design
- Lightweight and compact design
- Easily fitted in under 60 seconds
- Includes 2 x M12 x 1.5mm pitch wheel bolts and three keys
- Specifically designed for steel wheels
- Water and corrosion resistant
- Strong and robust hardened steel construction
- Specifically designed for alloy wheels
- Locks onto the wheel instead of over the tyre
- High security pick-free locks have thousands of possible key combinations and are supplied with 3 keys, plus a key identity tag
- Supplied in a retail display box with colour pictorial instructions

Kit Contents:

'U' shaped wheel clamp
Lock with three keys
10mm allen key
M12 x 30mm socket headed screw with hexagon key
2 x M12 x 1.5mm pitch wheel bolt
Fitting instructions and warranty card

SH5439	4.95Kg	2

Stronghold Plastic Security Ball

- Plastic security ball for hitchlocks
- Suitable for - SH5412/SH5414/SH5415, or for use in conjunction with other Stronghold hitchlocks
- Also suitable for other 'branded' security products
- Allows operation of stabiliser or hitch handle mechanism enabling the security product to be fitted

Code (Each)	Display Pack (Single)	Box Qty
SH54126B	SH54126	10

Stronghold Locking Wheel Bolts

- Stronghold THATCHAM & Sold Secure Gold Approved locking wheel bolts
- Heavy duty toughened rotary ring for extra security
- Anti-drill
- Suitable for trailers & caravans
- Suitable for steel or alloy wheels

	Code (Each)
M14 x 23mm x 1.5 (Pack of 4)	SH7665
M12 x 23mm x 1.5 (Pack of 4)	SH7664
M12 x 23mm x 1.5 (Pack of 2)	SH7662

Maypole Locking Wheel Nuts

- High security locking wheel nuts for trailers and caravans
- Supplied in a pack of 2
- Spare keys available by special order
- 3/8 UNF nuts suitable for many UK light trailers
- M10 x 1.25 nuts suitable for many Continental light trailers including Erde & Daxara to 148
- Suitable for steel or alloy wheels

	Code (Each)
3/8 UNF Nuts	MP7651
M10 x 1.25 Nuts	MP7655

Maypole Locking Wheel Bolts

- High security locking wheel bolts for trailers and caravans
- Supplied in a pack of 2
- Spare keys available by special order
- M12 x 1.5 bolts suitable for many caravans and heavy trailers - MP7661
- Suitable for steel or alloy wheels

	Code (Each)
M12 x 1.5 Bolts	MP7661
M12 x 24.5mm x 1.5 Bolts	MP7663B

Maypole Security

A wide range of security devices including: parking posts, steering wheel locks and hitchlocks.

STEERING WHEEL LOCK

- Additional physical security to deter electronic theft of modern vehicles
- Universal fit for steering wheels up to 43cm (17") - right hand drive vehicles only
- Highly visible
- Compact and lightweight design - easy to use and store
- Fitted and removed in seconds
- Strong and robust steel construction
- Includes anti-drill integral lock
- Anti-saw bar
- Restricts access to air bag / fits over to protect from theft
- Easily stored in a footwell or under a seat when not in use
- Suitable for cars, vans, motorhomes etc.
- Unique design to Maypole

Code (Each)	Weight	Box Qty
MP5494	2.43Kg	4

UNIVERSAL STEERING WHEEL LOCK

- Additional security against modern day vehicle theft
- Highly visible deterrent, preventing wheel rotation
- Soft liner prevents scratching of the steering wheel
- Compact and lightweight design - easy to use and store
- Fitted and removed in seconds
- Strong and robust steel construction
- Heavy duty lock
- Suitable for cars and vans etc.

Code (Each)	Weight	Box Qty
MP9045	1.3Kg	6

DOUBLE HOOK STEERING WHEEL LOCK

- Universal fit for steering wheels up to 39cm
- Additional vehicle security
- Highly visible
- Strong and robust steel construction
- Restricts access to air bag
- Compact and lightweight design - easy to use and store
- Fitted and removed in seconds
- Suitable for cars and vans etc.

Code (Each)	Weight	Box Qty
MP9041	1.3Kg	12

HEAVY DUTY VAN DOOR LOCK

- Anti-pick lock with 2 keys
- 2Kg heavy duty
- Rust resistant chrome plated hasp and fittings
- Suitable for: vans, sheds and garages
- Supplied with 6x8mm fixing bolts

Code (Each)	Weight	Box Qty
MP908	2Kg	10

CAR KEY SIGNAL BLOCKER (PAIR)

- Wireless car key blocker (pair)
- Protects against wireless car theft
- Phone signal blocker
- Card theft blocker
- Twin pack
- Scan the QR code below to see how important it is to use a signal blocker to prevent theft of modern day vehicles

Code (Each)	Box Qty
MP9046	400

HITCHLOCK FOR ALKO HITCHES

- Fits ALKO hitches - AK130, AK160, AKS1300, AKS2004 and AKS3004
- Immobilises hitch to prevent tow-away theft
- Highly visible deterrent
- Strong and robust
- Lightweight and compact design (only 1.7kg)
- Insurance approved
- Easily fitted in under 10 seconds
- Multi purpose use - can be used hitched or unhitched
- Fitting instructions included
- Can be used with Stronghold security dummy ball SH54126 (not supplied)

Code (Each)	Weight	Box Qty
MP956	1.89Kg	6

STRONGBOX HITCHLOCK

- Ideal for braked trailers fitted with ALKO, Steelpress and Knott pressed steel hitches
- Lightweight and user friendly patented design
- For hitches on straight drawbar only (Not 'A' frames)
- Fits hitched* or unhitched (*Swan neck and ALKO style towballs only)
- Multipurpose use - can be used hitched or unhitched
- Strongbox features an anti prising lip
- High security lock with anti-drill feature
- Strong and robust

Code (Each)	Weight	Box Qty
MP5411	3.4Kg	4

UNIVERSAL HITCHLOCK

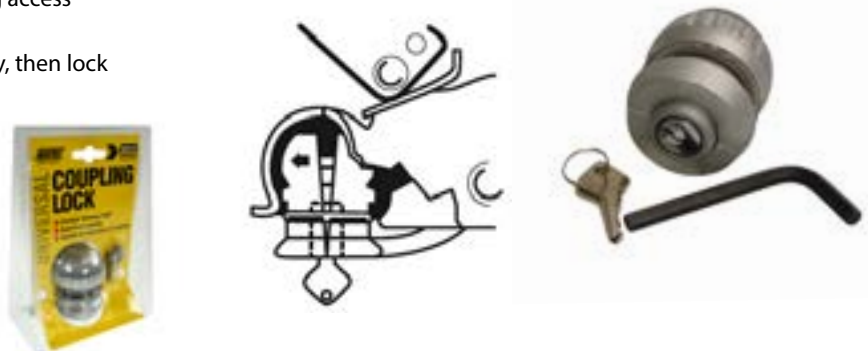

- Fits most standard 50mm couplings
- Case hardened 12mm steel bar
- Prevents 'towaway theft'
- Quick & easy to use
- Supplied with two keys
- MP953B is supplied in a plain white box suitable for online retailers

Code (Each)	Display Pack	Weight	Box Qty
MP953B	MP953	1Kg	8

UNIVERSAL COUPLING LOCK

- Universal coupling lock that fits most standard 50mm couplings
- Lock fits into coupling blocking access and prevents tow-away theft
- Expand in coupling by allen key, then lock
- High quality construction
- Corrosion proof
- Supplied with 2 keys

Code (Each)	Weight	Box Qty
MP279	0.45Kg	24

DELUXE TRAILER AND CARAVAN COUPLING LOCK

- Visible coupling lock prevents theft
- Lock fits into coupling blocking access and prevents tow-away theft
- Adaptable for standard 50mm pressed steel couplings on most types of trailer
- High security brass cylinder lock
- Easy press lock fitting

Code (Each)	Weight	Box Qty
MP9952	1.3Kg	24

HEAVY DUTY TRAILER HITCH COUPLING SAFE

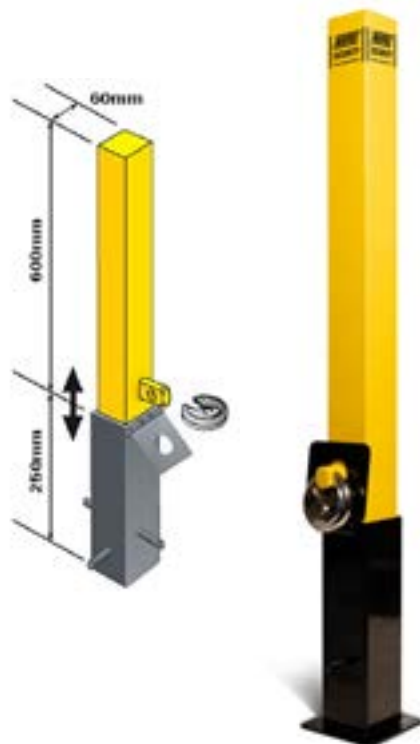

- Steel coupling safe trailer hitch lock
- Complete with hardened steel close shackle padlock and 2 keys
- Fits most pressed steel couplings
- Full colour box

Code (Each)	Weight	Box Qty
MP89	2.7Kg	6

HEAVY DUTY REMOVABLE SECURITY POST

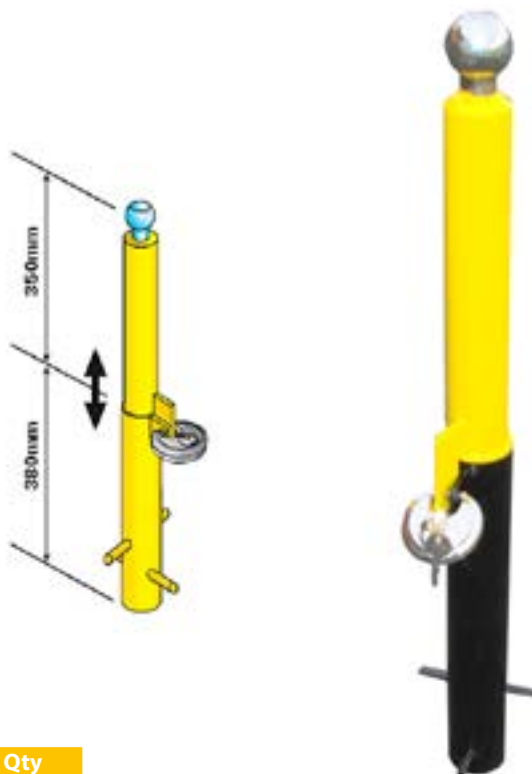

- Highly visible deterrent
- Steel construction
- Designed for concreting into the ground
- Effectively blocks driveways, carports and garages
- Removable to allow vehicle access
- Complete with hinged cover for when not in use
- Stainless steel padlock provided with 2 keys

Code (Each)	Weight	Box Qty
MP9731	6.76Kg	3

HEAVY DUTY REMOVABLE TRAILER HITCH SECURITY POST

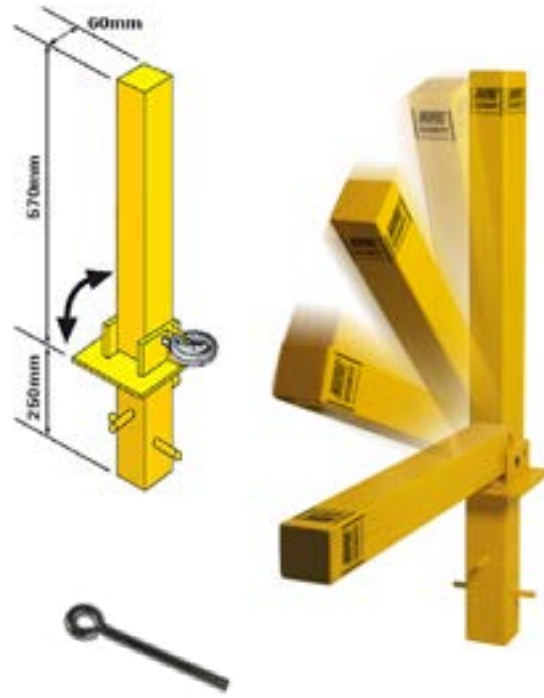

- Highly visible deterrent
- Steel construction
- Designed for concreting into the ground
- 50mm ball allows you to lock your trailer or caravan to the post
- Prevents theft of caravans and trailers fitted with a 50mm tow hitch
- Removable top section to allow vehicle access
- Ideal for private and commercial use
- Stainless steel padlock provided with 2 keys

Code (Each)	Weight	Box Qty
MP9735	4.9Kg	3

HEAVY DUTY FOLD DOWN SECURITY POST (SET IN CONCRETE TYPE)

- Highly visible deterrent
- Steel construction
- Solid cast base
- Designed for concreting into the ground to restrict driveway access
- Effectively blocks driveways, carports and garages
- Folds down to allow vehicle access
- Designed for car, trailer, motorhome and caravan security
- Stainless steel padlock provided with 2 keys

MP97371 - Spare eye pin

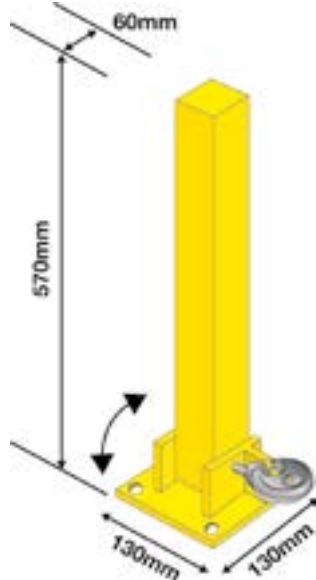

Code (Each)	Weight	Box Qty
MP9739	6Kg	3

HEAVY DUTY FOLD DOWN SECURITY POST (BOLT DOWN TYPE)

- Highly visible deterrent
- Steel construction
- Solid cast base
- Provided with high security fixing bolts to prevent being released once fitted
- Effectively blocks driveways, carports and garages
- Folds flat to ground for access
- Designed for car, trailer, motorhome and caravan security
- Ideal for private and commercial use
- Stainless steel padlock provided with 2 keys

MP97371 - Spare eye pin

Code (Each)	Weight	Box Qty
MP9737	5Kg	4

ROUND FOLD DOWN SECURITY POST

- Additional security for private or commercial use
- Multi purpose use - suitable for driveways, garages, car parks, forecourts, parking spaces and much more
- Highly visible deterrent
- Folds down for convenient vehicle access
- Strong and robust steel
- 3 mounting holes for bolting into concrete (bolts not supplied)
- Includes integral lock and protective cover
- Height 620mm and diameter 60mm
- Fitting instructions included

Code (Each)	Weight	Box Qty
MP9733	2.65Kg	4

SQUARE FOLD DOWN SECURITY POST WITH INTEGRAL TOP LOCK

- Additional security for private or commercial use
- Bright yellow for high visibility
- 4 mounting holes for bolting into concrete - bolts not supplied
- Multi purpose use suitable for driveways, garages, car parks, forecourts and parking spaces
- Folds down for convenient vehicle access
- Top mounted integral lock with protective dust cap
- Height 600mm and 60x60mm section

Code (Each)	Weight	Box Qty
MP9732	3.17Kg	4

CORNER STEADY LEG LOCK

- Suitable for all corner steadies fitted with an exposed 19mm hexagonal drive
- Locks corner steady in down position to immobilise the caravan
- High security locking system
- Robust steel construction
- Water and corrosion proof
- Supplied with 3mm allen key and hexagonal driver
- Electro-plated for rust protection
- Patented design
- Insurance Approved and independently tested
- Quick and easy to fit
- Fit more than one for extra protection

Code (Each)	Box Qty
MP5491	10

UNIVERSAL WHEEL CLAMP

- A highly visible deterrent that is simple to use and can be fitted in seconds
- Robust steel construction for maximum protection
- Soft PVC coating prevents wheel damage
- Suitable for steel and alloy wheels
- Insurance approved
- Simple to use and fitted in second
- Compact design for easy use and storage
- Integral lock for extra security
- Supplied with 2 keys

Code (Each)	Tyre Width	Recommended For	Box Qty
MP9075	175-225mm	Cars, vans, motorhomes, caravans & trailers	4

MAYPOLE WHEEL CLAMPS

- A highly visible deterrent that is simple to use and can be fitted in seconds (once initial size set)
- Can be used without removing the wheel trim
- Fitted with a rubber pad to prevent wheel damage
- Two security plate settings for different tyre widths
- Security plate prevents access to wheel nuts
- Suitable for steel and alloy wheels
- Insurance approved
- Fully adjustable and folds for easy storage
- Supplied with 2 keys

Code (Each)	Typical Wheel Sizes	Tyre Width	Diameter Capacity	Recommended For	Box Qty
MP9061	8-10"	120-140mm	350-550mm	Caravans & trailers	4

MAYPOLE HEAVY DUTY WHEEL CLAMP

- A highly visible deterrent that is simple to use and can be fitted in seconds (once initial size set)
- Can be used without removing the wheel trim
- Fitted with a rubber pad to prevent wheel damage
- Two security plate settings for different tyre widths
- Security plate prevents access to wheel nuts
- Suitable for steel and alloy wheels
- Insurance approved
- Fully adjustable and folds for easy storage
- Supplied with a corrosion proof, pick resistant lock with 3 keys

Code (Each)	Typical Wheel Sizes	Tyre Width	Diameter Capacity	Recommended For	Box Qty
MP909	10-16"	135-215mm	400-700mm	Cars, vans, caravans, trailers & motorhomes	4

TRIANGULAR HEAVY DUTY WHEEL CLAMPS

- Versatile heavy duty triangulation wheel clamp
- Fully adjustable (set once only) for wheel diameter and width
- Suitable for steel and alloy wheels
- Patented design
- Insurance Approved
- Electro plated arms for corrosion protection
- Strong and robust hardened steel construction
- High security pick-free lock, dust, water and corrosion proof
- Protective non scratch rubber plate pad, stops wheel damage
- Available in three sizes, each suited for different vehicles:
 - SH5433 - Trailers
 - SH5434 - Trailers, caravans, cars, vans and horse boxes
 - SH5435 - Trailers, caravans, cars, vans, horse boxes and motorhomes

KIT CONTENTS:

- Wheel clamp top plate
- Wheel clamp bottom plate
- Top arm
- Bottom arm
- Adjuster arms
- Lock with three keys
- 6mm allen key
- 2 x M10 x 12mm long socket screws
- 8 x M10 x 16mm long socket screws
- Fitting instructions and warranty card

Code (Each)	Description	Tyre Size	Tyre Width	Box Qty

MP5435	14" - 16" wheel clamp	Min: 650mm - Max: 850mm	Min: 185mm - Max: 250mm	2

INTEGRAL LOCK AND KEY SET

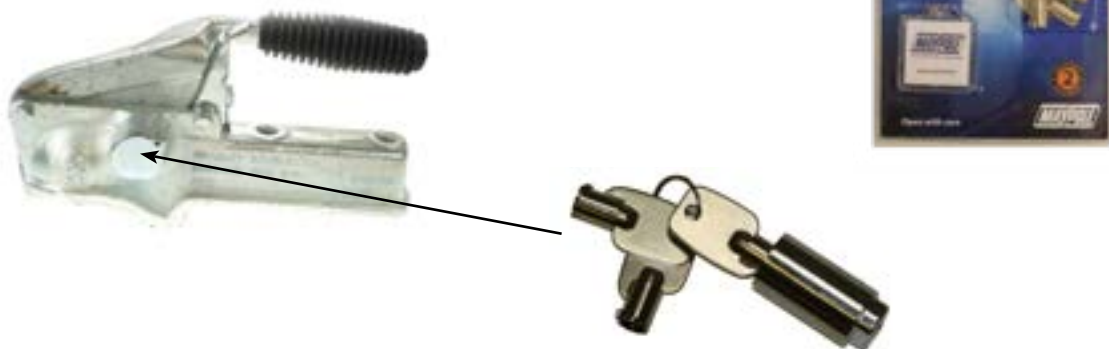

- Lock and key suitable for many pressed steel couplings including MP80/MP81
- Prevents the coupling handle from being operated
- Hitch not included
- Two keys provided

Display Pack	Bulk Pack
MP478	MP478B

INTEGRAL COUPLING LOCK FOR BRADLEY AUTOHEAD & AUTOJAW

- Suitable for Bradley Coupling Heads and Auto Jaws including MP2030 and D201
- High security integral lock, 4 keys, key ring and key documentation
- Thousands of different key combinations
- Supplied with 2 years warranty
- Hitch not included

Code (Each)
MP201L

BARREL LOCK & KEY SET FOR KNOTT AVONRIDE COUPLING HEADS

- Replacement Coupling Barrel lock & key set for Knott-Avonride coupling heads up to 3500Kg
- Lock cover cap, two keys, lock housing pin and fitting instructions supplied
- Thousand of different key combinations
- Supplied with 2 years warranty
- Hitch not included

Code (Each)
MP2015L

Caravan Servicing

Did you know we also have a range of caravan servicing lines available?

We also stock a range of caravan servicing parts compatible with major brands and OE from leading manufacturer ALKO. This includes:

Coupling Dampers & Bellows

Quality German manufactured Stabilus branded products

Brake: shoes, cables, hub nuts & adjusters

Fully approved Maypole branded

Jockey Wheels

Including MP9757 which is specifically designed for caravans

Brake Service Lines

Brake shoe adjuster kits, expanders & cover plates

Lighting, Electrics & Reflectors

Electrics

Plugs, sockets and conversion adaptors

Request copies of our Trailer Servicing, Parts and Accessories and Trailer Lighting and Towing catalogues to find out more information!

Leisure Accessories

Caravan steps, parking and levelling and Grayston Spring Assisters.

Caravan Steps

LARGE PLASTIC STEP

- UV stable polypropylene plastic step
- Large tread area for maximum safety
- Tread size 445mm x 270mm
- Grey colour
- Manufactured according to EN14183:2003 standards
- Anti-slip tread
- Strong and stable construction
- Large feet with peg holes for extra stability when used on grass
- Maximum load 150Kg

Code (Each)	Weight	Step Height	Box Qty
MP5388	1.4Kg	235mm	10

SINGLE CARAVAN STEP - STEEL

- Robust steel construction
- Silver/grey painted
- Manufactured according to EN14183:2003 standards
- Anti-slip tread
- Maximum load 150Kg

Code (Each)	Weight	Step Height	Box Qty
MP538	2.2Kg	260mm	10

DOUBLE CARAVAN STEP - STEEL

- Reinforced steel construction
- Silver/grey painted
- Manufactured according to EN14183:2003 standards
- Anti-slip tread
- Maximum load 150Kg
- Only available in box or pallet quantities

Code (Each)	Weight	Step Height	Box Qty
MP5385	4.8Kg	200mm & 390mm	5
MP5385B	4.8Kg	200mm & 390mm	64

Caravan Steps

FLAT PACK DOUBLE CARAVAN STEP - STEEL

- Ideal for caravan, motorhome or around the home
- Robust steel construction
- Silver/grey painted
- Manufactured according to EN14183:2003 standards
- Rubber non-slip tread plates
- Step height 190mm and 380mm
- Anti-slip tread
- Easy push fit assembly, no tools required
- Maximum load 150Kg
- Only available in box
- Disassembles for storage
- Full colour box

Caravan & Motorhome Flat Pack Step

Code (Each)	Weight	Step Height	Box Qty
MP5387	5.26Kg	190mm & 380mm	4

DOUBLE CARAVAN STEP WITH HANDRAIL - STEEL

- Ideal for caravan, motorhome or around the home
- Reinforced steel construction
- Silver/grey painted
- Soft hand grip
- Universal handrail (left or right) fitment option
- Handle requires assembly to step, fittings included
- 2 reflectors to aid visibility at night
- Manufactured according to EN14183:2003 standards
- Rubber non-slip tread plates
- Anti-slip tread
- Easy to assemble
- Maximum load 150Kg
- Only available in box quantity

Code (Each)	Weight	Step Height	Box Qty
MP5386	6Kg	200mm & 390mm	4

Parking and Levelling

WHEEL CHOCK

- Essential accessory for cars, caravans and trailers
- A vital safety device when parking or changing a wheel
- Best used in pairs for chocking two wheels on a gradient or both sides of one wheel on the flat
- Can be purchased in a display box of 10 when buying in bulk

Display Pack (Single)	Bulk Pack (Each)	Box Qty
MP461	MP461B	10

TYRE GRIP TRACTION MAT

- Essential for escaping muddy fields
- Two mats easily join together
- Very durable, use again and again
- Highly visible
- Supplied as a pair

Code (Each)	Box Qty
MP536	10

CARAVAN JACK PAD SET

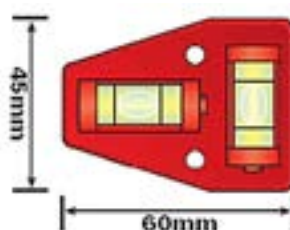

- Universal fit for all caravan legs / corner steadies
- Helps stabilise caravan on soft ground
- Strong, durable and easy to fit
- Permanent attachment to help save time
- Weighted design for when caravan is being towed
- Manufactured in the U.K.
- Supplied in a set of 4

Code (Set of 4)	Box Qty
MP4976	12

CARAVAN SPIRIT LEVEL

- Spirit level guide for easy caravan levelling
- With two fixing holes
- Size 60mm x 45mm

Display Pack	Bulk Pack
MP835	MP835B

Parking, Levelling and Grayston Spring Assisters

NOSE WEIGHT GAUGE

- Check weight before departure for safe and legal towing
- Ideal for caravans or trailers
- Calibrated easy to read scale
- 50-100Kg
- Accuracy within 3%
- Soft tip to prevent damage to hitch
- Helps stop overloading and load distribution
- Robust steel construction

Code (Each)	Box Qty
MP970	10

SPRING ASSISTERS AND RAISERS

- Coil Spring Assisters & raisers give your car an uprated spring rate, providing the following benefits when towing or carrying heavy loads:
 - Reduces light steering
 - Prevents suspension sag
 - Helps to prevent the vehicle from bottoming out
 - Helps to prevent headlights from aiming too high
- Ideal to use when towing caravans, trailers & motorbikes
- They are designed to be used as a temporary measure and are therefore quick and easy to fit
- Can be fitted without any special tools
- Manufactured from a hard rubber compound

Spring Gap Dim.	Code
To suit 18mm - 25mm	GE13
To suit 26mm - 38mm	GE14
To suit 39mm - 51mm	GE15
To suit 51mm - 65mm	GE15A

To work out which size you need, the spring gap needs to be measured when the car is jacked up, with the wheel off the ground. Then take the measurement of the gap between the coils where the assister will be fitted (usually in the middle of the spring) Please note: Spring assisters should only be fitted to the rear of a vehicle.

SEAT BELT CLIP

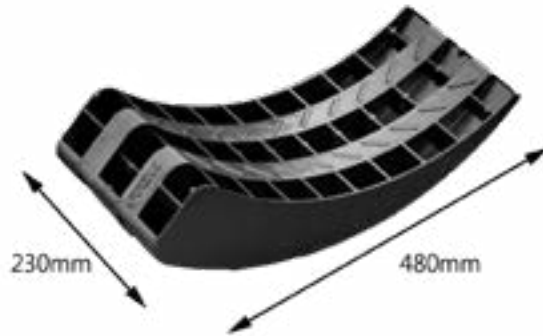

- Relieves seat belt tension
- Suitable for all inertia reel safety belts
- Allows movement without readjusting
- Supplied in a pack of 2

Code
GE16

FROLI ROUND WHEEL LEVELLER

- Innovative round wheel leveller from Froli
- An easier way to level a caravan or motorhome when in site or in storage
- Also acts as a tyre protector as it is perfectly matched to the wheel shape
- Tested load capacity 1250Kg per wheel
- Maximum gross weight 3850Kg
- Need approx. 28cm clearance from the vehicle to the ground
- Maximum lifting height approx. 10cm
- Approved for wheels approx. 70cm diameter
- No access aid required
- Patented design
- Pack includes one round wheel leveller

Scan the QR code to see the fitting video

Code (Each)	Width	Length	Tested Load Capacity
MP4606	230mm	480mm	1250Kg per wheel

FROLI TWIN LEVEL RAMP SET

- Set includes 2 wheel ramps
- Tested load capacity 2000Kg per wheel
- Perfect for caravans and motorhomes up to 8000Kg total weight
- Maximum levelling height 80mm
- The curved rear end of the ramp allows the leveller to be inserted between 2 wheels of some twin axle caravans
- The wheel leveller must rest entirely on solid ground

Code (Each)	Width	Length	Tested Load Capacity
MP4601	160mm	450mm	2000Kg per wheel

FROLI 3 PART LEVEL RAMP SET

- Set includes 1 level ramp, 1 easy access lead-in plate and 1 wheel chock
- Suitable for use with single and twin axles
- Tested load capacity 2000Kg per wheel
- Perfect for caravans and motorhomes up to 8000Kg total weight
- Maximum levelling height 80mm
- The curved rear end of the ramp allows the leveller to be inserted between 2 wheels of some twin axle caravans
- The wheel leveller must rest entirely on solid ground

Code (Each)	Width	Length	Tested Load Capacity
MP4603	160mm	450mm	2000Kg per wheel

FROLI 4 PART LEVEL RAMP SET

- Set includes 2 part level ramp, easy access lead-in plate and wheel chock
- Tested load capacity 2000Kg per wheel
- Parts can be used separately or together for levelling heights of 40, 55 and 95mm
- Combined height 95mm
- Product weight 1840g
- The wheel leveller must rest entirely on solid ground

Code (Each)	Width	Length	Tested Load Capacity
MP4605	180mm	500mm	2000Kg per wheel

FROLI TWIN MULTI-LEVEL RAMP SET

- Set includes 2 multi-level ramps and 1 heavy duty storage bag
- Suitable for use with single and twin axles
- Tested load capacity 1250Kg per wheel
- Perfect for caravans and motorhomes up to 5000Kg total weight
- 3 stepped levelling heights of 40, 70 and 100mm
- Product weight 1350g
- The ramp's wide non-slip surface increases stability on uneven, hard and soft ground
- The wheel leveller must rest entirely on solid ground

Code (Each)	Width	Length	Tested Load Capacity
MP4607	235mm	590mm	1250Kg per wheel

Mirrors

SINGLE EXTENSION TOWING MIRROR

- An additional rear view mirror that extends your field of vision
- Convex glass for a wider field of vision
- Fits most vehicles
- Easy to use
- Universal strap fixings
- European Approval

Code (Each)	Box Qty
MP8322	40

CONVEX TOWING MIRRORS (PAIR)

- An additional rear view mirror that extends your field of vision
- Convex glass for a wider field of vision
- Aerodynamic shape
- Strong fixings and chrome bar minimise vibration for a clearer view
- Robust and durable
- Additional safety strap
- Supplied as a pair
- Quick and easy clamp fittings are more versatile so are suitable for a wide range of vehicle shapes and sizes

Code (Each)	Box Qty
MP8329	10

Mirrors

LARGE DUAL GLASS TOWING MIRROR

- An additional rear view mirror that extends your field of vision
- Robust and durable construction
- Fits most large vehicle mirrors
- Recommended for 4x4s and MPV's
- Small convex and large flat glass dual mirrors
- Use in either orientation
- European Approval

Code (Each)	Box Qty
MP8324	20

DELUXE/DUAL GLASS AERO SHAPED TOWING MIRROR

- An additional rear view mirror that extends your field of vision
- Universal fit
- Robust and durable construction
- Modern aerodynamic shape
- Convex and flat glass
- Fits most large, deep and curved vehicle mirrors
- European Approval

Code (Each)	Box Qty
MP8326	20

DELUXE TOWING MIRROR

- An additional rear view mirror that extends your field of vision
- Easily adjustable clamps
- Robust and durable construction
- Universal fit
- Modern aerodynamic shape
- Available in flat or convex glass options
- Use in either orientation
- European Approval

Code (Each)	Glass Type	Box Qty
MP8327	Convex	20
MP8328	Flat	20

DRIVEWAY MIRROR

- Gives visibility for awkward driveway pull outs and blind spots
- Convex shatterproof mirror for a wider field of vision
- Lightweight plastic
- 300mm diameter
- Weather resistant
- Pole mounting
- All fixings and instructions included
- Display packed

Code (Each)	Box Qty
MP8325	12

Caravan and Camping Electrics

MOBILE MAINS ROLLER POWER UNIT

- 5 in 1 power supply for all your modern appliances
- Compact free standing roller ideal for storage and transportation - no messy cable to unravel
- 3 BS 13A sockets
- 2 x 5v/2.1A USB sockets for modern day devices
- Built in high quality RCD and circuit breaker for optimum protection against electric shocks
- Integral carry handle
- Built in LED light
- 230V 10A AC Max
- 15m orange PVC insulated cable with 100% copper conductors
- Manufactured to European Electrical Safety standards
- IP44 rated
- Full colour box

Code (Each)	Box Qty
MP3767	4

MOBILE MAINS POWER UNIT WITH USB

- 5 in 1 power supply
- Plugs directly into camp site power supply to bring safe 230V power to your appliances
- Ideal for use in your caravan, tent, awning, trailer tent, camper van or motorhome
- 3 BS 13A sockets pin power sockets, socket orientation perfect for large plugs and adaptors
- 2 USB sockets (1A and 2.1A) for modern day devices
- Built in RCD and circuit breaker for optimum protection against electric shocks
- Indicator light shows power supply is connected
- 16 amp total maximum capacity
- Integrated carry handle and tent pole/awning clips
- 15m orange PVC insulated cable with 100% copper conductors
- Socket Approval - BS1363
- Plug Approval - EN60309
- USB Approval - EN55022
- IP44 - Splash proof
- Full colour box

Code (Each)	Box Qty
MP3766	4

MOBILE MAINS POWER UNIT

- Plugs directly into campsite power supply to bring safe 230V power to your appliances
- Ideal for use in your caravan, tent, awning, trailer tent, camper van or motorhome
- Built in high quality RCD and circuit breaker for optimum protection against electric shocks
- 3 UK pin power sockets, socket orientation perfect for large plugs and adaptors
- Indicator light shows power supply is connected
- 10 amp maximum total capacity

Leisure Covers

Caravan, motorhome, camper van, and horse box covers. Motorhome and camper van internal and external blinds.

Caravan Covers

Maypole are the market leaders in the supply of universal covers to the leisure industry. It is essential to protect a caravan, motorhome or camper van exterior over the winter months from the outdoor elements, when on-site or in storage to protect against; dirt, dust, birds, leaves, mould and algae.

Maypole have over 20 years experience of manufacturing and supplying covers within the leisure industry. We now offer a comprehensive range designed to meet all requirements for today's modern vehicles. Designed for: Caravans, Motorhomes, Camper Vans to Horse Boxes.

Over the years Maypole have proven product quality and developed additional features across all ranges to ensure we continue to offer covers which customers can rely on.

Look out for the "4-ply features" logo on each of our cover pages in this section of the catalogue to find out which of our covers have the below features.

Key features across the 4-ply cover ranges include;

Breathable heavy duty non woven polypropylene 4-ply material, helping moisture to evaporate reducing the risk of mould, mildew or algae. Material also features a soft non-abrasive backing which is designed not to scratch a vehicle when fitted. Material is also bonded, using an innovative rounded pattern, helping it to resist stress and tears under normal conditions.

Material has high UV protection, ensuring a long product life.

Highly water resistant material (up to 1000mm hydrostatic pressure head test) providing excellent protection from the elements.

All covers are easy to fit with full fitting & care instructions provided.

Technical Information - 4-Ply material

Specification	
Layers	4
Composition	SB+SB+FILM+SB
Weight	163gm/m ²
Water repellency	80-90mm
Water resistance	1000mm
Rain test	<0.1

SB = Spunbound polypropylene

Film = Better water resistance than a membrane

For exact product dimensions please scan the QR code.

Protects against;

Smog & Dust

Rain & Wind

Frost & Snow

UV Rays

Leaves

Birds

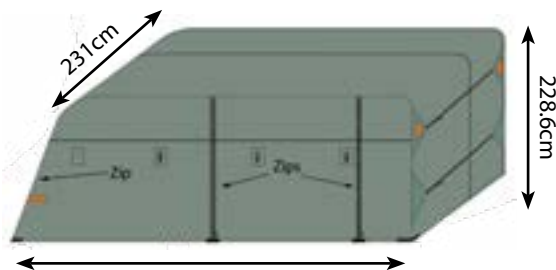

"Water resistant" means the material will repel water but is not thoroughly waterproof. Maypole 4ply covers are independently tested and will withstand the pressure of up to 1000mm of water. The breathable material allows condensation and water to evaporate - essential for long term storage.

PREMIUM GREEN CARAVAN COVERS

Maypole's green caravan covers have additional features that are designed to improve the fit and functionality of the cover, including;

- 3 zip locations on the nearside for easy access to the door and to assist when fitting the cover. Please refer to drawing
- Adjustable straps on the rear and side of the cover to tighten the material when fitted. This ensures a safe fit in all conditions
- Reflectors on the front, side and rear enhances night time visibility
- Modern retail friendly display box with key features highlighted
- Breathable hitch cover with adjustable strap is included
- Supplied with storage bag

Measure along the bottom of the caravan excluding the A frame to find out your required size

Code	Size (Approx)		Width (cm)	No. of Side Straps
	Metric	Imperial		
MP9531	Up to 4.1m	14'	231	4

M-WAY

MENABO

Whether you are making a trip to your favourite holiday destination; taking the kids to cycle round the park, or exploring mountain terrain on your bike, **Menabo will get you there.**

Menabo is a range of quality cycle carriers and roof bars, manufactured by Italian company F.lli Menabo, which was founded in 1972.

M-Way is a quality brand of universal, vehicle specific roof bars, cycle carriers and roof boxes owned by Menabo.

Maypole is the exclusive distributors of Menabo and M-Way products in the UK and Ireland, delivering quality products for any budget, requirement or taste.

To find out which roof bar fits a specific vehicle, we have application lists for each bar available on our website. The website also features a registration look-up function; input your vehicle registration and it will take you to the bar that is right for that vehicle. Simple, easy and user friendly.

When you see this icon visit www.maypoleltd.com to view the application lists for all of the M-Way roof bars.

For Life's *Adventures*

CONTENTS

- Stylish modern designs
- Easy to fit and with minimal assembly required
- Manufactured to the highest quality standards
- Unique and useful features
- Range of accessories and replacement spares available

M-WAY ROOF BARS

The range includes roof bars for vehicles with integrated and raised roof rails, as well as vehicle specific roof bars with the appropriate fixing kit. When the need for more space is required on a commercial vehicle, we have a selection of roof bars to help carry the load.

UNIVERSAL ROOF BARS

VEHICLE SPECIFIC ROOF BARS

M-WAY CYCLE CARRIERS

Whatever the activity, we have a cycle carrier to help you do it. Whether you prefer a roof mounted carrier, or one to use on your towball, we have a range to suit any requirement or taste.

ROOF MOUNTED CYCLE CARRIERS

TOWBALL MOUNTED CYCLE CARRIERS

M-WAY ROOF BOXES

When extra storage is needed for the holiday journey, M-Way roof boxes provide the best solution. Supplied in three sizes, they are stylish, aerodynamic and very easy to fit to a range of roof bars.

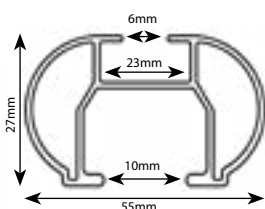

ROOF BOXES

RB2025	B	1.30m	4.10Kg	50Kg (door arch) & 75Kg (fixed point)	Aluminium	Optional

M-Way Space Fixing Kits

So you have picked your roof bar, now you need to know what fixing kit you require. Depending on your vehicle, you will need one of the following styles of fixing kit;

STANDARD

FIXED POINT

For Life's *Adventures*

SPECIAL

Hybrid kit that includes different fixings for the front and back of the vehicle.

- Step 1** Visit www.maypole.ltd.uk/M-Way and enter your vehicle registration
- Step 2** Select the bar type and length
- Step 3** Discover which fixing kit you need
- Step 4** Keep a record of the part numbers and head to our stockist section

Vehicle Examples for Fixing Kits

We have tried to make the process of choosing the right bar and fixing kit as easy as possible. To illustrate we have a few examples of which bar and fixing kit is required for some of the most popular vehicles on the road.

Example of a vehicle that requires a STANDARD FIXING KIT

Ford Fiesta, 5 door, 2018 registration plate
Requires Space Bar A 1.12m, choose from aluminium or steel

Fixing Kit RB002

Example of a vehicle that requires a FIXED POINT KIT

Peugeot 4008, 5 door, 2018 registration plate
Requires Space Bar A 1.12m, choose from aluminium or steel

Fixing Kit RB016

Example of a van that requires a FIXED POINT KIT

Citroen Berlingo, 5 door, 2018 registration plate
Requires Space Bar B 1.30m, choose from aluminium or steel

Fixing Kit RB055

Example of a vehicle that requires a SPECIAL FIXING KIT

Vauxhall Corsa, 5 door, 2018 registration plate
Requires Space Bar A 1.12m, choose from aluminium or steel

Fixing Kit RB020

Terms and Conditions

1. INTERPRETATION

1.1 In these Conditions the following words shall have the following meanings:

"Buyer" means the purchaser of the Goods;

"Conditions" means the standard terms and conditions of sale set out in this document and (unless the context otherwise requires) includes any special terms and conditions agreed in writing between the Seller and the Buyer;

"Contract" means any contract incorporating these Conditions between the Seller and the Buyer for the sale and purchase of the Goods;

"Goods" means the goods agreed in the Contract to be supplied by the Seller to the Buyer; and

"Seller" means Maypole Limited a company registered in England and Wales under number 1502304 whose registered office is at 162 Clappgate Lane, Woodgate Business Park, Birmingham B32 3DE.

1.2 In these Conditions references to any statute or statutory provision shall unless the context otherwise requires, be construed as a reference to that statute or statutory provision as from time to time amended, consolidated, modified, extended, re-enacted or replaced.

1.3 In these Conditions headings will not affect the construction or interpretation of these Conditions.

2. APPLICATION OF TERMS

2.1 Subject to any variation under condition 2.3, these Conditions comprise all the terms of the Contract between the Seller and the Buyer to the exclusion of all other terms and conditions (including any terms or conditions which the Buyer purports to apply under any purchase order, confirmation of order, specification or other document). No statement, written or oral, including statements in any price list, brochure or promotional literature of the Seller shall be incorporated into the Contract or have any legal effect.

2.2 The terms in these Conditions shall prevail over any terms put forward by the Buyer and no conduct of the Seller shall constitute acceptance of any terms put forward by the Buyer unless the Seller expressly agrees to them in writing signed by a director of the Seller.

2.3 No additions to or variations of these terms shall be binding on the Seller unless in writing signed by a director of the Seller.

2.4 No employee or agent of the Seller has any authority to make any representations on behalf of the Seller as to the effect of these terms.

2.4 Maypole do not operate a sale or return policy, all stock cleanse and returns must be authorized by a Director and a 20% re-stocking charge will be deducted

2.5 Returns will only be accepted when a Maypole return note has been completed stating reasons for the return

2.6 Maypole reserve the right to close the account if, the minimum annual spend of £1000 has not been achieved.

2.7 Account will be setup once initial order, for the value of £250.00 has been met.

3. PRICE

3.1 Unless expressly agreed in writing by a director of the Seller or the Seller's sales staff the price for the Goods shall be the price set out in the Seller's price list published on the date of delivery or deemed delivery.

3.2 The Seller reserves the right to vary its published price list by written notice to the Buyer.

3.3 Unless expressly stated otherwise all prices are exclusive of value added tax.

4. PAYMENT TERMS

4.1 Payment for the Goods is due no later than 30 days end of month invoiced.

4.2 Time for payment shall be of the essence.

4.3 The Buyer shall make all payments due under the Contract without any deduction whether by set-off, counterclaim, discount, abatement or otherwise.

4.4 If the Buyer fails to pay the Seller any sum due pursuant to the Contract the Buyer;

4.4.1 will be liable to pay interest to the Seller on such sum from the due date for payment at the annual rate of 6% above the base lending rate from time to time of Lloyds Bank, accruing on a daily basis until payment is made. The Seller reserves the right to claim interest under the Late Payment of Commercial Debts (Interest) Act 1998; and

4.4.2 the Seller shall be entitled (without prejudice to its other claims and rights under the Contract) to suspend or cancel further deliveries or services under this Contract and any other contract between the Seller and the Buyer and treat the Contract as wholly repudiated by the Buyer and forthwith to terminate the Contract.

5. DELIVERY

5.1 The Seller shall use reasonable endeavors to meet any delivery date but any date named by the Seller for delivery is given and intended as an estimate only and is not to be the essence of the Contract. The Buyer shall nevertheless be bound to accept the Goods when delivered.

5.2 The Seller shall not be liable to the Buyer for any losses caused to the Buyer by the late delivery of the Goods.

6. FORCE MAJEURE

6.1 The Seller reserves the right to without liability defer the date of delivery or to cancel the Contract or reduce the volume of the Goods ordered by the Buyer (without liability to the Buyer) if it is prevented from or delayed in the carrying on of its business due to circumstances beyond the reasonable control of the Seller including, without limitation, acts of God, governmental actions, war or national emergency, acts of terrorism, protests, riot, civil commotion, fire, explosion, flood, epidemic, lock-outs, strikes or other labour disputes (whether or not relating to either party's workforce), or restraints or delays affecting carriers or inability or delay in obtaining supplies of adequate or suitable materials.

7. QUALITY

7.1 The Seller warrants that (subject to the other provisions of these Conditions) upon delivery the Goods will:

7.1.1 conform with any description given to the Buyer by the Seller; and

7.1.2 be of satisfactory quality within the meaning of the Sale of Goods Act 1994.

7.2 It is the Buyer's responsibility to inspect and test the Goods and each and every part thereof to see that they are in order.

7.3 If any of the Goods do not conform with any of the warranties in condition 7.1 the Seller shall at its sole option either:

7.3.1 repair or replace the defective Goods (or the defective part); or

7.3.2 allow full credit for the defective Goods provided that if the Seller so requests the Buyer shall at the Seller's expense return the Goods or the part of such Goods which is defective to the Seller.

8. LIMITATIONS ON LIABILITY

8.1 Subject to condition 7 the following provisions set out the entire financial liability of the Seller (including any liability for the acts or omissions of its employees, agents and sub-contractors) to the Buyer in respect of:

8.1.1 any breach of these Conditions; and

8.1.2 any representation, statement or tortious act or omission including negligence arising under or in connection with the Contract.

8.2 All warranties, conditions and other terms implied by statute or common law (save for the conditions implied by section 12 of the Sale of Goods Act 1979) are, to the fullest extent permitted by law, excluded from the Contract.

8.3 Nothing in these Conditions excludes or limits the liability of the Seller for death or

personal injury caused by the Seller's negligence or fraudulent misrepresentation.

8.4 Subject to conditions 8.2 and 8.3:

8.4.1 the Seller's total liability in contract, tort (including negligence or breach of statutory duty), misrepresentation, restitution or otherwise arising in connection with the performance or contemplated performance of the Contract shall be limited to the price paid by the Buyer to the Seller for the Goods.

8.4.2 the Seller shall not be liable to the Buyer for any indirect or consequential loss or damage (whether for loss of profits, loss of business, depletion of goodwill or otherwise), costs, expenses or other claims or consequential compensation whatsoever (howsoever caused) which arise out of or in connection with the Contract.

9. TIME FOR NOTIFYING DELIVERY SHORTAGES

9.1 The Seller shall not be liable in any way whatsoever for short delivery unless the Buyer notifies the Seller of any shortage within 3 working days of date of delivery or deemed delivery.

10. RISK AND TITLE

10.1 The Goods are at the risk of the Buyer from the date of delivery.

10.2 Ownership of the Goods shall not pass to the Buyer until the Seller has received in full (in cash or cleared funds) all sums due to it in respect of:

10.2.1 the Goods; and

10.2.2 all other sums which are or which become due to the Seller from the Buyer on any account.

10.3 Until the ownership of the Goods has passed to the Buyer, the Buyer must:

10.3.1 hold the Goods on a fiduciary basis as the Seller's bailee;

10.3.2 store the Goods (at no cost to the Seller) separately from all other goods of the Buyer or any third party in such a way that they remain readily identifiable as the Seller's property;

10.3.3 not destroy, deface or obscure any identifying mark or packaging on or relating to the Goods;

10.3.4 maintain the Goods in satisfactory condition and keep them insured on the Seller's behalf for their full price against all risk to the reasonable satisfaction of the Seller. On request the Buyer shall produce the policy of insurance to the Seller; and

10.3.5 hold the proceeds of the insurance referred to in condition 10.3.4 on trust for the Seller and not mix them with any other money, nor pay the proceeds into an overdrawn bank account.

10.4 If the Buyer :

10.4.1 has a bankruptcy order made against him or makes an arrangement or composition with his creditors, or otherwise takes the benefit of any statutory provision for the time being in force for the relief of insolvent debtors, or (being a body corporate) convenes a meeting of creditors (whether formal or informal), or enters into liquidation (whether voluntary or compulsory) except a solvent voluntary liquidation for the purpose only of reconstruction or amalgamation, or has a receiver and/or manager, administrator or administrative receiver appointed to its undertaking or any part thereof, or a resolution is passed or a petition presented to any court for the winding up of the Buyer or for the granting of an administration order in respect of the Buyer, or any proceedings are commenced relating to the insolvency or possible insolvency of the Buyer; or

10.4.2 suffers or allows any execution, whether legal or equitable, to be levied on his/its property or obtained against him/it, or fails to observe/performs any of his/its obligations under the Contract or any other contract between the Company and the Buyer, or is unable to pay its debts within the meaning of section 123 of the Insolvency Act 1986 or the Buyer ceases to trade; or

10.4.3 the Buyer encumbers or in any way charges any of the Goods; then the Buyer's right to possession of the Goods shall terminate immediately, the Seller shall immediately be entitled to the price and the Seller shall be entitled (without prejudice to its other claims and rights under the Contract) to suspend or cancel further deliveries or services under this Contract and any other contract between the Seller and the Buyer and treat the Contract as wholly repudiated by the Buyer and forthwith to terminate the Contract.

10.5 The Seller shall be entitled to recover payment for the Goods notwithstanding that ownership of any of the Goods has not passed from the Seller.

10.6 The Buyer grants the Seller, its agents and employees an irrevocable licence at any time to enter any premises where the Goods are or may be stored in order to inspect them, or, where the Buyer's right to possession has terminated, to recover them.

11. INDEMNITY

11.1 The Buyer shall indemnify the Seller against all claims and demands whatsoever made by any person or persons against the Seller in respect of injury, loss or damage arising directly or indirectly from the delivery and use of the Goods supplied by the Seller, howsoever caused and whether or not amounting to negligence.

12. GENERAL

12.1 Each right or remedy of the Seller under the Contract is without prejudice to any other right or remedy of the Seller whether under the Contract or not.

12.2 If any provision of the Contract is found by any court, tribunal or administrative body of competent jurisdiction to be wholly or partly illegal, invalid, void, voidable, unenforceable or unreasonable it shall to the extent of such illegality, invalidity, voidness, voidability, unenforceability or unreasonableness be deemed severable and the remaining provisions of the Contract and the remainder of such provision shall continue in full force and effect.

12.3 Any concession made by the Seller or waiver by the Seller of any breach of, or any default under, any provision of the Contract by the Buyer will not be construed as a waiver of any of its rights under the Contract.

12.4 Failure or delay by the Seller in enforcing or partially enforcing any provision of the Contract will not be construed as a waiver of any of its rights under the Contract.

12.5 The Seller reserves the right to correct any clerical errors made by its employees at any time.

12.6 The parties to this Contract do not intend that any term of this Contract will be enforceable by virtue of the Contracts (Rights of Third Parties) Act 1999 by any person that is not a party to it.

12.7 The formation, construction and performance of this contract shall be governed in all respects by English Law and the parties submit to the exclusive jurisdiction of the English courts.
