ENTRETIEN :

- **Lavage :** N'utilisez que des produits lessiviels, ne jamais utiliser D'ESSENCE, D'ACETONE ou autres produits agressifs qui pourraient endommager le capot.
- Maintenir toujours propres les ressorts à gaz, nettoyer avec un chiffon doux.

CARE AND MAINTENANCE :

- **Cleaning :** Do not use petroleum based cleaning materials. Never use petrol, white spirit, acetone or other strong products which could damage the surface of the ABS plastic.
- **Keep clean :** the gas strut arms, using a soft cloth.
