- Familiarise yourself with all parts prior to fitting
- This product is supplied with three keys. Separate and keep a key in a designated place of safety
- Record your key number here
- Keep this instruction card and your proof of purchase (receipt or invoice) for future reference

Fitting Instructions

Fig 1

Place the top arm over the tyre.

Fig 2

If fitted, wheel trims may be removed for increased security. Insert the top arm into the channel on the back plate and adjust the height of the back plate to cover the centre of the wheel and the wheel bolts. Fix the plate by inserting the fixing screw through the closest of the holes in the channel into the threaded hole in the top arm and tightening by hand. Note – Once set, these parts can remain assembled when removing the clamp from the vehicle.

Fig 3

Slotted holes in each of the lower arms must be passed over TWO fixed pins on the back plate. The holes used for each arm should be selected to position them as close as possible to the tyre. Once the arms have been fitted, slide the arms outwards from the centre of the back plate to lock the pins into the slotted holes.

Fig 4

To fit the cover plate, place the cover over the back plate covering the arms and slide downwards (around 3cm) until the holes for the lock are correctly aligned. Note: The flange on the rear of the cover plate should pass behind the back plate as it is moved downwards into position.

Fig 5

Insert the lock into the holes in both plates. Rotate the key anti-clockwise 180° to the locked position, remove the key and keep safe.

Removal Instructions

Reverse the fitting procedure following steps 5 to 1.

Warranty

Please see warranty card for details. Full warranty terms can be viewed on our website www.stronghold-security.com

Replacement Keys

The design of Stronghold keys means that genuine replacements are only available by special order through the place of purchase, for which you will require your key number. Please note, the use of unapproved copy keys will void your warranty.

Customer Service Contacts

In case of product defect or malfunction please contact the place of purchase for assistance. For other questions please refer to the FAQ section of our website or UK & Ireland customers email: sales@maypoleltd.co.uk or call: +44 (0) 121 270 4301.

International customers – the place of purchase or your national distributor.
